

Summer 2023 Pickleball Schedule

A license agreement between the Lincoln Parks and Recreation Department (LPRD) and Pickleball Lincoln, Inc. (PLI) grants PLI the right to schedule pickleball programming on specified pickleball courts. These court locations are: **Ballard, Densmore, Eden, Henry, Roberts, and Seng Parks.**

Peterson Park: Drop-in play is available at all times without sign up or pre-registration.

All members of the public are welcome to play!

This cell color indicates a scheduled pickleball day including drop-in play, open play, round robin play, lessons, skill development and other pickleball programming. Time slots shown below are posted on Playtime Scheduler. Additional time slots can be scheduled for public pickleball play. Pickleball play has court priority on these days and time periods. When Open Play is displayed below, check Playtime Scheduler to sign-up which is encouraged but optional. Some scheduled programming may require pre-registration.

This cell color indicates a **shared use** with tennis during hours shown on a **first come basis**. First come basis means the court(s) are open to anyone based on who is there first.

PLI scheduled programming will be posted on PlaytimeScheduler.com, PickleballLincoln.com. and the Lincoln Parks and Recreation website: Lincoln.ne.gov Keyword: pickleball.

For information on PLI Pickleball Programming including pre-registration, contact: PickleballLincoln@gmail.com

For Round Robins (RR), please include the name of the coordinator and session of interest.

Shared Use 2:00 pm – 9:00 pm First come basis	Shared Use 2:00 pm – 9:00 pm First come basis	Shared Use 2:00 pm – 9:00 pm First come basis				

Print-your-Cause: Case for PLI Store

Costs and Revenue:

The basic plan is free, with no inventory minimums or startup costs. PLI can have five items in the store. While limited on the products available, partnering with Print-your-Cause's basic line presents no financial risk to PLI. We are not required to charge a markup over production costs, but we are free to do so. If over \$50 in net profit is received from the store, a check will be sent to PLI quarterly or as requested.

Plans Available:

At any point we can go and migrate to the standard line at \$200 a year. This allows us to sell a line of 10 products and substantially expands the types of products we can customize. The basic plan primarily limits us to cloth products and select hard products. One unfortunate downside is cloth products are limited to 100% cotton (NOT good for exercise and eliminates hats).

To see the list of products available at the basic plan, search for "MVP" products on print your causes store.

Next Steps:

To move forward, we select five products from the MVP list. If we are having issues deciding which products to use, Print-your-Cause can assist in our product selection. They will also need a high-resolution logo of at least 300 DPI. Once we send the product list and the logo, there is approximately a 24-hour turnaround time before the store is live.

Example of a Basic Store:
